## CRAFTING YOUR DREAM HOME

MAEVE is a brand that seeks to reinvent the world of decorative elements. The brand stands out for its emphasis on clean and organic lines, as well as for its close relationship with the art of handcrafted. We alter and extend boundaries, creating elements that stand out to the eye. With attention to detail and a deep appreciation for art objects, MAEVE establishes new statements in modern decoration. Each piece is carefully crafted, showing the character of ancient art combined with the subtlety of technique, and this gentle transition is reflected in what we suggest. Beyond design and craftsmanship, MAEVE is also committed to ethical practices, therefore fair. That's why we work closely with artisans and locals. Whether you are looking for an art object to add to your home or looking for an elegant setting for your table you can certainly find solutions and no doubt appreciate a good time.

## MAEVE COLLECTION

MAEVE creates concepts that impress customers seeking new forms of expression. We choose to present the daily life of those who need to find a way to make important details stand out by creating design statements. Our collection focuses on three main categories Homeware, Tableware and Art Objects. We combine industrial and manual techniques, envisioning art objects for a timeless ambiance, showing the character of ancient arts orchestrated with the subtlety of a modern technique. MAEVE seeks an expression of luxury and sets a new precedent in the way handmade and depurated design are combined and reorganized.
